## 64-0320 - Denham Springs High School, Denham Springs, LA (Paragraphs: 210 - 256)

**L-211** Now remember, I'm going to talk to you about the High Priest. "He is a High Priest that can be touched by the feeling of our infirmities." He is Jehovah-Jireh, "the Lord's provided sacrifice." He is Jehovah-Rapha, "the Lord that heals all thy diseases." Do you believe that? [Congregation says, "Amen."--Ed.] He is Jehovah-Manasseh. A buckler, a shield, our peace, He is still. Well, how many believes that all those redemptive names of Jehovah was applied to Jesus? ["Amen."--Ed.] Sure, He had to be. If He--if He... Why, they're inseparable, so He had to be all of them. And if He is still Jehovah-Jireh, He is Jehovah-Rapha. If He's Jehovah-Jireh... He's Jehovah-Jireh, is "the Lord's provided sacrifice for salvation," then He's Jehovah-Rapha that "heals all of our diseases." Amen. Healing can only come by God. [\[Genesis 22:14\]](#), [\[Exodus 15:26\]](#), [\[Exodus 17:15\]](#), [\[Judges 6:24\]](#), [\[Psalms 23:1\]](#), [\[Jeremiah 23:6\]](#), [\[Ezekiel 48:35\]](#), [\[Acts 2:36\]](#), [\[Hebrews 13:8\]](#)

**L-212** All right, while the people line up; I haven't got time to see who they are and what they are. But now, all out there that knows that I don't know you, raise up your hand, say, "I have a need of God. But you don't know me, Brother Branham, but I have a need of God. I'm just going to raise my hand."

**L-213** Now if you'll just settle for a few minutes, watch, be careful, be quiet. Now I don't mean, when I say, "be quiet,"... If the Lord does anything, you'll want to praise the Lord; that's worship. But what I mean, "just run around, get up," you know, that's irreverent. See? And the Holy Spirit is very timid, very timid. See? Just anything like that, just leaves me, and I just have to battle then, again, see. But if you'll listen!

**L-214** You remember His first promise? "Get the people to believe you, and then be sincere, nothing will stand before the prayer." You remember that? [Congregation says, "Amen."--Ed.] That's right. And that's... I haven't seen it fail yet, and it won't fail. It's God.

**L-215** Now we'll hurry with the prayer line, so we get as many through as we can, on account of the people. But you that's got prayer cards and not called tonight, hold your card, we're going to get you. All right.

**L-216** Now you out there without prayer cards, remember. Or, you out there, whether you have prayer cards or not, just believe that He is like Hebrews the 4th chapter here. "He is the High Priest that can be touched by the feeling of our infirmities." See if He remains. See if Jehovah has represented Himself among His people, like He did at the days of Sodom. All right.

**L-217** All right, sir. Now let's pray, now, be real reverent. Now remember, a word from God is more than anybody could say. Now, this man here, I--I don't know him. And I guess he's... You're a stranger to me, are you, sir? [The brother says, "Yes."--Ed.] You're a stranger. We know one thing, that we've both got to stand in the Presence of God someday; as man, we've got to meet There. This is our first time meeting.

**L-218** Now if you come here, if you are sick, I don't know; it might be something else, see. But if I--if I laid hands on you, say, "Praise the Lord! Go, get well." That's all right. You could believe that. But what if He tells you what's wrong with you? Now, see, that's different, then you know that identifies His characteristic. See, that wouldn't be my characteristic. I'm a man; I wouldn't know nothing about him. I just told him, "I don't know you." He don't know me. But what would that do? That would identify the

characteristic of Jesus Christ the same yesterday, today, and forever. Knowing that it couldn't be me, couldn't be me, 'cause I don't know the man. I'll raise my hand; here is the Word. See? I don't know him. He don't know me. But the characteristic of Jesus Christ...

**L-219** If Jesus was standing here; and he is sick. If he would say, "Lord Jesus, heal me." What would Jesus say to Him? "I've already done it." Is that right? [Congregation says, "Amen."--Ed.]

**L-220** "He was wounded for our transgressions; with His stripes we were healed." All the redemption that we ever can have was settled at Calvary. From there on, it's faith, to believe the finished work. Is that right? [Congregation says, "Amen."--Ed.] All right. [\[Isaiah 53:5\]](#)

**L-221** Now, now if Jesus is alive, and I have talked of His Word... There you are, back to that simplicity and faith, believing His Word. When He met me that night, He said, "You'll come to pass that you'll even know the secrets of their heart. They won't believe that first sign of the hand, they will have to believe this one. See? They don't do that, then blood curses the earth."

**L-222** Just like it did in Moses' time. Said, "Won't believe them two signs, then pour blood upon the earth. See, pour water upon the earth, it'll become blood." [\[Exodus 4:9\]](#)

**L-223** Now just to find out. If I can just see what your trouble is, that would satisfy and make you believe, wouldn't it? [The brother says, "Sure."--Ed.] You know it would have to be the characteristic of the Person I'm talking about, Jesus Christ.

**L-224** The man, as I just looked at him, moves back. He is shadowed. There isn't a thing that medicine would ever help the man. He is in a dying condition. That's right. He has had an operation, and the operation was a prostrate operation. And it's cancer, and the cancer is scattered all through you. If that's right, raise up your hand. Only God can heal him. [The brother says, "Hallelujah! Hallelujah! Hallelujah!"--Ed.] But, look, I want to say something to you, sir. That devil might have hid from the doctor's knife, but he can't hide from God. Do you believe that? Do you believe it? ["Oh! Oh!"] Then I pray, that, in the Name of Jesus Christ, may the thing leave him, may the man live. Nothing; just got weak. All right.

**L-225** You and I are strangers to each other, a man and a woman meets. Now, as a man, I don't know you. And perhaps, as a woman, you don't know me; no more than you just seen my name, or picture, or something like that. But we don't know one another. That's our characters. We don't know one another's character. But the characteristic of Christ, He is the Word, and the Word is promised for this day. You heard me speak of it. Then His characteristics would identify Him here. Not me identify Him. I don't know you. You understand. Our--our congregation understand that? [Congregation says, "Amen."--Ed.] See? I'm--I'm a man. I'm just your brother.

**L-226** Like the woman at the well, say something that's wrong, something is wrong with you, or what you want, or what you're here for. Let God be the judge of that. You are suffering from anemia condition. That is right, isn't it? [The sister says, "Yes."]

**L-227** I--I constantly hit that, somebody thinking I guessed it. I don't guess that. No. Every once in a while, I feel that, somebody. You can't hide your thoughts now. Now there is about, I know, two real bad skeptics sitting here. See? So now remember I can call your name, too, God can, so you quit thinking that. Let me show you.

**L-228** Look here, lady. Look at me. I don't know what He told you, but I--I know what He is. And that's His characteristic identified. Yes, it's anemia condition, the blood, water.

**L-229** Now, here, here is something. See if they think this is guessing. Got a child you are praying for, that's here. [The sister says, "Yes."--Ed.] That's right. It's got in its throat, ["Yeah."], tonsils, adenoids. It's up for an operation. Isn't it right? ["Yes."] Take that handkerchief and put on it, and believe. ["Yes."] Don't doubt. It won't need an operation. Now believe with all your heart.

**L-230** How do you do? The thing is, for this woman here, that you are scared about something. You're afraid that a birthmark has turned to cancer. [The sister cries out, "Oh!"--Ed.] Now go, believing, and it won't be that way. Just go, believing with all your heart. Characteristics, not of me; of Him!

**L-231** Do you believe now? [Congregation says, "Amen."--Ed.] That should make everybody believe. ["Amen!"]

**L-232** Now, I don't know you. I'm a stranger to you. God knows you. Do you believe that? You know that I don't know you, and you know you don't know me, so do you believe that this Spirit that's speaking cannot be my spirit? Because, me, as a man, I don't know you. But the characteristic of the promised Word is the Word that's sharper than a two-edged sword, and discerns the thoughts and intents of the heart.

**L-233** You are very sick. You had a woman's trouble, which was a womb, and that womb had cancer. And you went and taken some sort of a treatment, it was a radium treatment, and the only thing it done is scatter it all through you. And you'll--you'll die if God don't heal you. That's true. Do you believe now He will heal you? [The sister says, "Yes."--Ed.] May the God of Heaven rebuke that devil that's hide from the doctor. ["Oh!"] He might have hide from radium, but not from the Holy Ghost. Go, believe Him, now, sister. Don't doubt at all, but believe. ["O God, heal me!"]

**L-234** Do you believe that God can heal that asthmatic condition, and make you well? [The brother says, "Yes."--Ed.] You believe it? Then go on your road, rejoicing, saying, "Thank You, Lord. I believe my asthma is done."

**L-235** How do you do? You're nervous. You been nervous for a long time. In there, it's caused a peptic ulcer to come in your stomach, which makes you--your stomach trouble. And you want... You want to eat your supper? Will you do what I tell you to do? Go, eat, in the Name of the Lord Jesus.

**L-236** Do you believe with all your heart? [The sister says, "I do."--Ed.] You're a mighty-fine young lady, looks to be. Do you believe me to be His servant? ["Amen."] Do you believe His characteristic could be here, too, the Word, Itself, and the promise of this day, "The works that I do shall you also"? ["Amen."] I can't heal. He has already did that; but His characteristic displays Him, can tell what's wrong with you. You got a lady's trouble, female trouble. ["Yes, sir."] Do you believe that God heals it now? ["Yes. Amen."] Go on your road, it not bother you no more. Believe with all your heart. [\[John 14:12\]](#)

**L-237** Do you believe me to be His servant? [The sister says, "Yes, sir."--Ed.] If God will tell me what's your trouble, will you believe it's the characteristic of Jesus Christ? It's in your back. It isn't no more. Go, believe with all your heart. Believe.

**L-238** Come, lady. You also have stomach trouble. Believe with all your heart, and go eat your supper. Forget about it. Jesus Christ makes you well.

**L-239** Come. Your trouble is your blood. You're a diabetes. Do you believe that God will make you well and heal you of that? Go on your road, and say, "Thank You, Lord Jesus," makes you well. Go, believe with all your heart.

**L-240** Come. Your back, do you believe that God will heal the back and make you well? Go on your road, and rejoice, and say, "Thank You, Lord Jesus."

**L-241** You also had something wrong with your back. Just keep on walking, saying, "Thank You, Lord. I'm healed." Believe it with all your heart.

**L-242** You also had back trouble. What do you know about that? Believe with all your heart now, and go on your road and be made well. Believe Jesus Christ makes you well. "If thou canst believe, all things are possible." All right.

**L-243** What if I didn't say nothing to you; just passed by and laid hands on her, do you believe she would

get well? They see what's wrong. Do you believe she would? Come here. I resent this devil, in the Name of Jesus Christ. May the power of God heal the child. Amen. Don't doubt, don't doubt at all, and she'll get well. Believe with all your heart.

**L-244** If God doesn't heal you, you'll be on a crutch someday, with arthritis. But you believe that God heals your arthritis? Then go, say, "Thank You, Lord. I'll believe You, and You make me well." All right.

**L-245** Come now. It's really your age. You're real nervous. Get real nervous, late of the evening. When you work and everything, you're real nervous. You believe now? It won't bother you no more then. Go on your road, saying, "Thank You, Lord Jesus."

**L-246** Come, sir. Do you believe that God heals heart trouble? [The brother says, "Yes."--Ed.] Will make your heart well? Just keep on moving, saying, "Thank You, Lord. I believe with all my heart."

**L-247** God heals TB, and makes well, too. Do you believe that, sir, with all your heart? [The brother says, "I believe it."--Ed.] All right. Go on your road and rejoicing, saying, "Thank You, Lord Jesus."

**L-248** What about you out there, do you believe? How about the audience? Some of you in the audience now believe.

**L-249** This man sitting right here, with bronchitis, do you believe that God will heal the bronchial trouble? All right, you can have what you've asked for, then. Amen.

**L-250** High blood pressure, sitting right behind him there. Do you believe that God will heal your high blood? It left you, sir. I don't know him, never seen him in my life.

**L-251** Say, sir, do you believe that them spasms in your muscles, nervous muscle spasms, do you believe that God will make it well? You do? Raise up your hand if you believe. All right.

**L-252** Your wife sitting there, she is bothered with sinus trouble. Do you believe it leaves you, too, sister?

**L-253** The lady sitting right behind us there, has neuritis. Do you believe that God will heal your neuritis, lady?

**L-254** Here is a lady with a little coat, red coat on, here. She is sitting there. She has sinus trouble, too. Do you believe that God will heal your sinus trouble? Raise up your hand, if you believe it.

**L-255** Anybody in here that believes that the characteristics of Jesus Christ is among us, tonight, raise up your hand, say, "I believe it." [Congregation rejoices and says, "I believe it!"--Ed.]

**L-256** All that's in here, will accept Him as your healer, stand upon your feet, and say, "I believe it." Raise up. Stand up, out of your chairs, whatever it is. Jesus Christ the same yesterday, today, and forever. I give Him to you, in the Name of the Lord God.

### **64-0321E - Denham Springs High School, Denham Springs, LA (Paragraphs: 290 - 343)**

**L-291** People don't understand it. No, no, you won't. Neither can I explain it, nor no other man. You can't explain God. God is not known by scientific research. God is known by faith. We believe Him. How can you explain? How would it be faith, anymore? We know God by faith.

**L-292** The church will never know the labor and the weary, and the toil and trial, that's tried to bring It, the Message. He does. My reward doesn't come from peoples.

**L-293** Look here, lady. Yes, quickly. That woman is shadowed to death. God doesn't come to the woman right away, I can see... Don't you see that blackness hanging around her? She'll die, as sure as the world. Here not long ago, they took the picture of something like that, and got it at home. She got a dark shadow hanging near her. She is shadowed to death.

**L-294** The little lady has had an operation. And in this operation, they operated for cancer. And now she is having troubles, all kinds of--of, well, just complications. One thing, you're so weak you can't stand

up. Another thing, that from the bladder passes puss. Now, just so you would see that I'm not just saying something. See? That is right. But, lady, the doctor tried. I give him credit for that. But, he was a remedy, but God is the cure. You're going to die like that. He done all he could do. Do you believe? [The sister says, "Yes."] Come here, just a minute.

**L-295** By the commission given me by Almighty God, witnessed to me by an Angel, which is present now in the form of a Pillar of Fire, I condemn this devil that's taking this woman's life. In the Name of Jesus Christ. Amen.

Go, believe now. With all that's in you, believe.

**L-296** You have a trouble that kills more people than anything else, heart trouble. They claim that's the number-one disease, but it isn't, sir. Sin is number-one belief disease. Do you believe that He is able to heal that heart and make you well? [The brother says, "I know He can."--Ed.] Then go, believe it. God bless you.

**L-297** You think God can heal your back and make you well? Do you believe it with all your heart? Go, believe it, sister. Watch what happens to you, you'll get better.

**L-298** Arthritis and heart trouble. But you believe that God can make you well? [The sister says, "I do."--Ed.] With all your heart? ["Yes, sir."] You will accept it? ["Yes, sir."] According as you have believed, that's the way it'll be to you. Now go, believe it with all your heart, and God will make you well.

**L-299** You also have a back trouble. Do you believe that Jesus Christ can make you well? [The sister says, "Yes, sir."--Ed.] Go now, believe it with all your heart. I can't heal you, see.

**L-300** Prostrate, nervousness, and also you have arthritis. Do you believe that God can make you well, heal you? Do you accept it? Go, and believe it, then.

**L-301** Keeps you awake a lot of times, coughing. But God heals asthma. Do you believe that? [The brother says, "Yes, sir."--Ed.] Do you believe He makes you well now? ["Yes, sir."] God bless you. Thank you, for your faith.

**L-302** What if I didn't even say a word to you, just laid my hands on you, would you believe? [The brother say, "Yes."--Ed.] Come here. I lay my hands upon you, in the Name of Jesus Christ, and may the arthritis leave you. It leaves.

**L-303** Come. Come, sister. Do you believe? [The sister says, "Yes, sir. I've been healed by the Lord before."--Ed.] Well, that's wonderful. ["Hallelujah!"] Then you go eat your supper then, and your stomach will be all right. ["Hallelujah! Hallelujah! Hallelujah!"]

**L-304** A lot of back trouble, it's been bothering you a long time. Go, believing you're... Go, believing you're going to get all right, and God will do it for you. [The brother says, "God has. Amen."--Ed.] Amen. That's it. ["Praise the Lord."] The Lord bless you, brother. Amen.

**L-305** Diabetes is nothing, for God to heal. He can make them well. Do you believe that? [The sister says, "I do."--Ed.] All right. Accept it, and go believe Him now with all your heart.

**L-306** You also have it in your blood. Do you believe that God will make you well? Go, believe it with all your heart, and be well.

**L-307** You believe He healed you then when that struck you? He did.

**L-308** Lady's trouble. Heart trouble. You believe it? [The sister says, "Believe it."--Ed.] Go, be--be healed in Jesus' Name.

**L-309** You believe that God will make your back well, your kidneys will be... Bless you! Just go right on. I don't heal. I can't heal. I'm not a healer.

**L-310** What'd you think when He said about his back, do you believe yours got well, too? All right, just

go, believing it, then... Just go believe it, with all your heart.

**L-311** Yours also, do you believe that God makes you well? Go, believe it, with all your heart. God will grant it if you... You have to believe it, though.

**L-312** Do you believe that God will make you well, too? [The sister says, "Praise the Lord! I sure do."--Ed.] All right. God bless you. Just move right along and believe with all your heart.

**L-313** Come, sir. An old white drop dropping down. Diagnosis of that would show diabetes. [The brother says, "Diabetes."--Ed.] Do you believe He'll make you well? Let's go to Calvary for a transfusion now. By faith, in the Name of Jesus Christ, may he be healed. Amen. God bless you, brother. Believe with all your heart. Do you believe? ["Exactly true."]

**L-314** What about some of you in the audience now? Do you believe with all your hearts, that Jesus Christ is the same yesterday, today, and forever? Do you believe that? [Congregation says, "Amen."--Ed.]

**L-315** What about over in this district? The little lady sitting, looking right at me there, suffering with a lady's trouble, do you believe that God will make you well? Just a little blue coat on. All right. Believe now, Jesus Christ makes you well. It's just that simple.

**L-316** The lady sitting right behind you, dark hair. She said, "Thank You, Lord." Something struck her. She didn't know what it was. The bladder trouble left you, sitting right there, right behind the lady was healed just then. If you believe with all your heart there, lady. You do? All right, raise up your hand if you want to accept it. God makes you well.

What about this down here, somebody in here?

**L-317** Back there in the audience, now real reverent. Don't move. See, these diseases will go from one to another.

**L-318** What about you, sir? This aged man sitting here in this chair? Do you believe? Do you believe God can heal you? Arthritis, and you got bronchitis. You believe that God will make that well? You do? All right, you can have what you asked for. "If thou canst believe!"

**L-319** What do you think, lady, sitting next to him? Do you believe, too? Do you believe? Do you believe God can tell me what your trouble is? You're way away from me. Just believe Him now. Do you believe I've told you the Truth? Then your high blood pressure will go down. You believe it?

**L-320** You raised up your hand, too. You was trying to encourage her. Do you believe God can tell me what's... You've been so nice to help her, now God will be nice to help you. You got a spiritual problem that's been bothering you. If that's right, wave your hand like this. It's going to be settled now. He makes it right.

**L-321** How many believes? How many of you will acc... that's not a Christian, has the--the feeling that Jesus Christ is here present, that would like to stand up now, say, "Jesus, I'd like to identify myself as a sinner, will You forgive me of my sins?" Stand up on your feet. God bless you, sir. God bless you. God bless you. God bless you. God bless you. That's... God bless you, you, you, you. This, He sees you. He put your name down when you do that.

**L-322** Over here to the balcony, stand up, say, "Lord Jesus, I want to, I want to be identified. I want mercy for my soul." God bless you, sir. "I want mercy, Lord Jesus."

**L-323** Can't you see, friend, that's Him here? God bless you, young man. God bless you. God bless you, young lady. That's the greatest thing you ever done. Now someone else that hasn't done it, stand up, say, "I want to be identified, Lord Jesus. I'm identifying myself, tonight."

**L-324** "He that will confess his sin, shall have mercy. He that hides his sin, shall not prosper." [\[Proverbs 28:13\]](#)

**L-325** Will you, in His Presence? God bless you, lady. I want... God bless you. Yes. And Lord bless you.

God bless you, sir. God bless you, lady. The Lord bless you.

**L-326** You say, "Does that mean anything?" Between death and life, that's the difference.

**L-327** Do you recognize His Presence here? Do you recognize that? Do you sense that? See, you see It, you see It working. That's Him. That's exactly what He said He would do. Do you believe it? [Congregation says, "Amen."--Ed.]

**L-328** Somebody else say, "I want to identify myself as a sinner, Lord. You forgive me of my sins now." If you're already standing, just raise up your hand. Some of you around the walls, raise... God bless you. God bless you. Somebody else say, up in the balcony to the rear, say, "I want to identify myself, Lord Jesus. I ask for mercy, tonight, in Your Divine Presence, believing that, the very God that will judge me, His Presence is here now. He knows that He is speaking to my heart and telling me I'm wrong. I want to stand up and say I'm wrong. I confess my wrong. You're condemning me, in my heart." That's the reason I stopped the prayer line. God bless you. God bless you.

**L-329** What do you think I stopped that for? I stopped it because I knowed that had to happen.

**L-330** Now, there is others here, won't you stand? Stand up and say Something is speaking to your heart, you're wrong. God bless you, sir. God bless you. God bless you. God bless you. "I'm wrong. Forgive me, Lord. I'm identifying myself. I stand up, Lord, in Your Presence. I know You're here. I... You've got to be here. You said this would be the--the thing You'd do. Now I be... I see the sign, and I know it's been explained to me that that's supposed to be the sign of this day. I hear the Voice that called back to repentance. Here I am, Lord. I believe the sign. I hear the Voice."

**L-331** The Voice speaking to you now! Turn, O dispersed! Turn, O wandering star! Turn, O you that's been ousted out! Turn, tonight!

**L-332** Won't you turn? Just stand and say, "I identify myself as a sinner, asking for mercy." Will you do it, somebody else? God bless you, lady. God bless you, up there, son. If I miss you, He won't. God bless you, lady. That's very fine. That's very fine. Someone else? Just keep... I want to hold just a minute longer, because I still feel a little burden here, see. Somebody else? God bless you, lady. That's the way to do it. That's it. Somebody else, "I want to identify myself, just raise myself up and say I'm wrong. I'm asking for mercy"? Will you do it? Right quick before we go further, raise up and say, "I want to identify myself, Lord Jesus." God bless you, young lady.

**L-333** You know, maybe before you get home, but some time or other there will be a cold mist coming in your face. Maybe some morning the doctor will come and he'll feel your pulse coming up your sleeve, nothing else can be done. Then you'll feel the cold waves of death floating into your face. You'll remember what you've done.

**L-334** Remember, they can't bury you too deep, they can't do nothing to you. God promised, "I'll raise you up again, at the last day." Look. "He that heareth My Words and believeth on Him that sent Me, has Eternal Life and shall not come to the Judgment, but has passed from death unto Life." Somebody rub That out if you can. Jesus Christ said That. "He that believeth, that's, understands My Word and believeth on Him that sent Me, has Eternal Life, shall never come into the Judgment, condemnation, but has passed from death to Life." Because, he has believed on the only begotten Son of God, that God has raised up, two thousand years ago, and is alive here, tonight, showing His attribute of His resurrection. [\[John 5:24\]](#)

**L-335** Would there be another stand up, after that, another say, "I want to accept It. I want to accept Him." God bless. God bless you. That's very fine, little lady. That's a gallant thing. I want you to notice.

**L-336** I watched an altar call, here sometime ago, people coming up, chewing chewing gum, punching one another in the side.

**L-337** But did you notice the sincerity on them people's faces? Them young women, even after

condemning them about their bobbed hair, wearing make-up; with that make-up on, and bobbed hair, stood right up just the same, "I'm a sinner. Have mercy on me, God." That's that Seeds laying there. The Light sprung upon it, and they know it. God bless you.

Let us bow our heads now.

**L-338** I want every believer here, that's standing near that person that stood up, lay your hand over on that person, (will you?), the one that stood up. They were standing by you. If you're a Christian, put your hand over, on sister, brother, "I got my hand on you now. I'm going to pray."

**L-339** Heavenly Father, there are those here tonight that--that believe You. "Some seeds fall by the wayside," You say, "the birds come along and gather it up. Others fall upon stony grounds, and thorns and thistles. But some goes over into good, fertile ground." And Your Presence being here, tonight, has convinced many here tonight that You are the Son of God, that You're alive forevermore. And You've promised, because You live, we can live also.

**L-340** Lord Jesus, they raised up and stood as a witness that they believed You. Now, Lord, I know You'll stand for them in that Day. Grant it, Lord. I give them to You, in the Name of Jesus Christ. May they go to some good church and be baptized in Christian baptism. May they join themselves up with some good bunch of believers. May they be filled with the Holy Ghost. May they be trophies of the Gospel, gems in Your crown at that Day. And if I never see them again this side of that great Day, may I see them that Day like in the vision, saying, "Don't you remember me? It was at Baton Rouge, that night, that I stood up." Grant it, Father. They are Yours, through Christ's Name.

**L-341** Here is, lays before me, a box of handkerchiefs, little shoes, boots, handkerchiefs, and cloths, and aprons. We're taught, in the Bible, that they taken from the body of Saint Paul, handkerchiefs and aprons, unclean spirits went out of the people. Now, Father, we know that we're not Saint Paul, but You are still the same God, so I pray that You will grant the same results, as sincerely this generation believing. They never believed Paul because he was Paul; they believed Paul because You identified Yourself with Paul. Now they believe the same thing tonight, Lord, that You've been identified among us, tonight. And one day, we say the... [\[Acts 19:12\]](#)

**L-342** One writer was telling us, that, "Israel was on its road to the promised land, and the Red Sea got in the way, to cut them off from the promised land." The writer said, that, "God looked down through that Pillar of Fire, with angry eyes, when It moved over Israel. It made blindness, darkness to the unbeliever, and light to Israel. And when that Red Sea got in the way, it got scared, and it rolled back, and Israel crossed over to the promised land on dry land."

**L-343** Lord God, look down tonight, through the Blood of Jesus Christ, Your Son. As I lay my hands upon these handkerchiefs; when they're placed upon the sick, may the Holy Spirit, Lord, look upon that person, and may the disease depart from it, and may they cross into that land of good health and strength. That, the Bible said, "Above all things," that they desired that we'd "prosper in health." Grant it, Lord. I send them, in the Name of Jesus Christ. Amen.

*... me I will follow,*

*Where He leads... (let's just sing)... will follow,*

*I'll go with Him, (now His Presence is here, let's just worship Him in song, sweetly), all the way.*

## **64-0322 - Denham Springs High School, Denham Springs, LA (Paragraphs: 137 - 192)**

**L-138** Now do this one thing for me. Find, if you're around where these pastors are, see a few, talk to them. If you haven't been baptized yet, in Christian baptism, do so. Get yourself amongst believers now, real believers, not make-believers; real believers.

While we're praying, let's pray for these handkerchiefs.

**L-139** Heavenly Father, these handkerchiefs goes out now; where, I don't know. Maybe some old blind daddy sitting out here in a little swamp somewhere, waiting for this handkerchief to come; a little baby laying there on the hospital bed; a mother standing, frantically, waiting for the return of the handkerchief. Heavenly Father, I pray that You will go with them. And for a token of Your Presence today, and our faith in You as we have preached Thy Word, may the faith that was in Abraham, and the faith that was produced and given to us by Jesus Christ, may it go with these handkerchiefs and heal every one that it's laid upon. We send them, in Jesus' Name. Amen.

**L-140** Now just a moment, before we call the prayer line. The omnipotent and mighty God, the great One, the all-sufficient One... Please, friends, I--I'm going to start praying for the sick, and I... Probably, when we come down, I--I might not get to say nothing to you; some of you may go before that time. Whatever you are, if you didn't even stand, a while ago, and you're not sure...

**L-141** If you're a member of a church, that's a good thing, but that's not good enough. See, the rich young ruler was a member of the church. See? He asked Jesus what could he do to have Eternal Life. He never accepted It. He walked away. What a foolish thing for that young man to do. Don't take his place. You remember the last time he was identified? A little later, he prospered. He got richer. He got to a place till even his barns bursted. But then we find his last identification, in hell, flames tormenting. Don't, don't let that happen to you. Accept Christ.

**L-142** You young people, you young girls, young boys, just at the turning of life, please do that. Hear me, as--as your brother, one who loves you. I'm here because I love you. I love God, and I love you, and I cannot love God if I don't love you.

**L-143** I would a lot rather, if you had a comment to pass, pass it on my son out there, or one of my children. Let me just... I, I'll go without it. Any parent will do that; so will God. See? Love His people. Love one another.

**L-144** You say, "What do you scold them for?" Genuine love is corrective.

**L-145** If your child is sitting out on the street; you say, "Well, there sits Junior. He oughtn't to do that, but I don't want to hurt his little feelings." You don't love him. He'll get killed there. If you love him, you'll bring him in and give him a spanking. You'll make him obey.

**L-146** That's the way God does. Love is corrective, and that's genuine love.

**L-147** When a preacher stand and lets you women bob your hair, and wear paint and stuff, and don't correct you, there is no genuine love there; and won't call it out. And let you man marry three or four times, and all of these other things, and get by with it, there is no genuine love there. Let you join a church, and pat you on the back, and smother you with some creed, then, "That's all you have to do, is join the holy church," there is no love there. Or, either, the man is so totally lost, himself, he don't see.

**L-148** Genuine love is corrective, and brings you back to the Word of God.

**L-149** Look at Jesus, how, what He said, 'cause He loved them, so much that He died in their place, when they was even calling for His Blood.

**L-150** Now may the great Holy Spirit... I want to wait just a minute. I'm waiting till the anointing of the Holy Spirit gets upon me, before we get started. I have been preaching. Thank you, for your cooperation.

**L-151** Now, each one in here, wherever you are, anywhere in the building, pray just for a minute, say, "Lord Jesus, help me! Help me! Let me touch Your garment." Jesus said, you know, when the woman touched His garment, He didn't feel it, physically, but He turned around and knowed who she was and what she did. He is the same Jesus this afternoon, a High Priest can be touched by the feeling of our infirmity.

**L-152** Do you believe, each one of you now, that it's true, that the God that made this promise, once more (and may He show it) that we're living in the days of Sodom? How many believe that, in the building, just raise up your hand.

**L-153** We're living, as it was, in Sodom. The whole system has become polluted, the world system, everything, the church system, political system. There is nothing. Politics is so corrupted. The systems, everywhere, our dictators, it's all corruption. The church has become the same way. Families have become the same way. It's just corruption, Sodom!

**L-154** Then, remember, God has got that before you, then remember He said that He would represent Himself in human flesh, and would do like He did before Sodom, before the promised Son came on the scene. He promised to send one that would forerun that promised Son, as He did at the first place, that would introduce; and He said, "When the Son of man is being revealed."

**L-155** I don't know you. Well, Miss. Thompson, that female trouble and complications, you believe that God will make you well? Can you believe it? You will? Miss., Miss. Thomas, you believe He'll make you well? Raise up your hands, then.

**L-156** There is a lady sitting right behind you. She is praying. She's got arthritis.

**L-157** One sitting right next to her, is stomach trouble, praying also. You're going to miss it, you don't watch. You're not from here. You're from Mississippi. You're Mr. and Mrs. Kramer. If you believe with all your heart, Jesus Christ will make you well. If you can believe it. Do you? Then you can receive it. Okay. Raise up your hands so that the people will see it's you.

**L-158** I don't know them people. I've never seen them, in my life. You've got to believe, friend. He is identifying Himself. Do you believe that, with all your heart? [Congregation says, "Amen."--Ed.]

**L-159** Why did you shake your head, sir, and look at me like that? Yes, sir. Because you've done that, I'm going to talk to you a minute. You're kind of an aged gentleman sitting right here, looking at me. He looked at me, with such sincerity. He believed it. You're praying for somebody who had a stroke. But--but your main thing you're praying, you need, you're seeking the baptism of the Holy Ghost. That's right. Uh-huh. That is right. If you believe it! The lady, you're seeking employment. Besides that, that you might know that I be God's prophet, or servant, you've had two operations. It's left you kind of weak. All kinds of conditions, spiritual trouble. I want to tell you it's all settled. Your faith makes you well.

**L-160** [Blank.spot.on.tape--Ed.]... sitting right next to you there. She is praying. Look here. He heard you, and you've touched Him. Don't know you, but He does. I'll tell you what you was praying about. You believe with all your heart? You got a gall bladder trouble, you're praying. Do you believe that God will heal you and make you well? You are Mrs. Smith. That's right. Raise your hand.

**L-161** See, He is identifying Himself. What is it? It's the Seed of Abraham, the faith that Abraham had, the Lord Jesus Christ among us, confirming His Word, with signs following.

**L-162** Who, how many cards are to be prayed for, raise your hands, got your card? Oh, we better start the prayer line.

**L-163** You see, you understand don't you? Now that spirit not only... That doesn't heal. That only identifies Him being here. Your pastors have just the same authority to pray for the sick. They don't do that; no, certainly not. But they--but they have just the same authority, "These signs shall follow the believers."

**L-164** Now I want my pastor friends here. [Brother Branham asks someone, "Is it all right to call from the audience, ministers?"--Ed.]

**L-165** How many pastors here that believe with all your heart, ministers in here, believe? Oh, thank you.

I wonder if you'll stand? Come here, stand with me just a minute, right down here, pray for the sick. Come right down here. Now you watch the healing take place, watch what happens.

**L-166** I want you to come, form a--a double line right here. I'm coming down there in just a moment, to pray for the sick. I want the believing pastors who wants to identify themselves as believers. That, you believe, that your coming here, you're living a holy, clean life. Remember, looky here what's coming out, representing the Gospel of Christ!

**L-167** Brother Blair, I know you there, you or Brother Pat. Would you form that double line the way you usually do it, if you will, you and Brother Pat.

**L-168** Believing pastors that's going to believe! Now, look, if God so can identify Himself by His Word, with His Word, how many knows that the Bible, Jesus said this, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover"? Pastors, you've come here to identify yourself as believers. Are you? You are believers (aren't you?), you wouldn't be standing here. Now what did Jesus say? "These signs shall follow them that believe." I'm a believer with you. [\[Mark 16:17\]](#)

**L-169** I'm coming down. These are our people, and we are shepherds over these flocks. I'm coming down to stretch my net with you now, put my hands with yours. And when these people come by, if you've got anything that's just a little skeptic in your mind, get it out right now; so that when these people come by, then each one of them coming by, and we lay hands on them, they'll be healed. Will you believe with all your heart now, everyone? [The ministers say, "Amen."--Ed.]

**L-170** How many in here is going to be praying for the others as they pass through, raise up your hand, "I'll be praying."

**L-171** Remember, might be your father, your mother, your daughter or son, sister or brother. And if it isn't yours, it's somebody's, that's going to come through this line. And what if it was them, and they were dying with cancer, or some hideous disease, wouldn't you want man to be deeply sincere? Certainly, we would.

**L-172** Now, I believe, how you going to... Now these in this row here, this aisle, stand over against that side, with the prayer card. Stand over against that side, all that's in the right section. Now, the way, hold the left section; we get all jammed up, you see, and you don't know how, what we're doing. All right, all that's in this section, stand up here. Now, all that's in the right-hand section, just come this way, 'cause you're going to come down, come around.

**L-173** And how you going, how they going out, Brother Borders? Right out the side door, come right around and in the building again.

**L-174** So, when this side will be called, in a few minutes, and they will stand up. And let's see now what... All right, those in this section, turn on this side over here. Hold to your prayer cards, get over on this side. And you in the balcony, walk right down to meet them at the end of the row up there. Now these in this left-hand section, go over to the left-hand side. And then, you see, you form your line and go back that way; turn back, turn that way. See? And you'll follow the line right around, then we won't have any mix up at all.

**L-175** And then you up in the balcony, just make your places right at them aisles, and just drop right in as they come through.

**L-176** Now, now just start walking on back, each one, walk right on back till you meet this line right around here. Just come right around, up in here, just start walking right around and come to this line right here.

**L-177** Oh, what could happen right now! What could happen! This is going to be a time where something must take place. All right.

**L-178** Now, that's right, go right back around that way, and get right in the line, like that. Go right around this aisle. That's the way now.

**L-179** And now when you're standing, everybody on their feet, we're going to offer prayer. And this congregation is going to pray with me, that you're going to be made well. Just have faith now. And don't...

**L-180** Come right on around, way back in the back, come right on around and join in with this line back here. Come right around, make one big line. Come right around that way, and make the one line. That's it.

**L-181** Everybody be in prayer. Be really in faith now. Just don't notice the crowd now. Remember, we are--we are enshrouded by the Presence of Jesus Christ, depending on us to honor what He has done among us, by having faith in His Word.

**L-182** That's fine. Now it'll just be fine. I think that line is getting in just wonderful.

**L-183** Now while they're all standing, I want every person now, in the building, to bow your head.

**L-184** Lord Jesus, it's soon to happen. The decision has to be made right now. Do we believe You're here? Do we love You? Have we faith, Lord, sufficient for what we're going to ask? These people are identifying themselves by standing in the line. Lord, may it not be in vain. May it be, Lord, that they pass through here, each one will just pass like they was passing under Christ, for we know He is here. And we pray that they'll receive their healing. I'm sure that even in weeks and weeks to come, these people will be going to their pastors, women that had female trouble, stomach trouble, man with prostrate, all kinds of troubles, will be made well, saying, "You know, the thing just left me," for they're in Your Presence. May they come through now and--and draw this what You have died for. They're the Seed of Abraham, and You've conquered for them. May they come and receive what You have given to them.

**L-185** And, Satan, you have been so exposed this week, till you know that you are a defeated being. Jesus Christ defeated you at Calvary. He raised up on the third day, for our justification, and He stands among us now. And our faith looks to Him, and away from you or anything that you've done. Leave these people, in the Name of Jesus Christ.

**L-186** All right, start the line. [Brother Branham and the ministers lay hands on the sick and pray for each one in the prayer line. Blank.spot.on.tape--Ed.]

**L-187** We have did just as the Master bid us to do. How many of you that went through that line, believed that you're going to be well, raise up your hand. I join mine with you.

**L-188** What we were doing there, at last, as a group of ministers there; many of them were sick, I knew it, but they're trying to put forth their effort to get their congregation in, whether they get in or not. That's genuine shepherds. And the Holy Spirit said to me, "Cause them to join hands with each other." We laced our hearts and nets together, and our prayers, together.

**L-189** Jesus, make them well, too. And make them strong shepherds, strong in the Word of the Lord.

**L-190** May God, my brethren, may He give you all the desires of your heart. May you serve Him all the days, and have power of God in your lives, to minister to this fine bunch of people. May Jesus Christ, Who has been with us, and is with you all the time, may He make Hissself more prominent to you than He has ever before.

**L-191** You people, some of you that were crippled, you might not see no difference for a while, you might not see no difference. Look what Abraham did. Don't make any difference what; that ain't what you're looking at. You don't look at your symptoms. Look at what He said. If you say, "I still feel the pain," that don't have nothing to do with it. You've done what God said do. See, don't look at that. Look at what He

said. God said it was so! I believe it. Don't you? [Congregation says, "Amen."--Ed.] With all my heart, I believe it.

**L-192** The Lord God bless you till I see you again. My prayers is for you; the night don't get too dark, the rain don't fall too hard. I'll be praying for you. You pray for me. Until we meet again, God bless you. Now the brother pastoring, see.

#### **64-0401 - 4-H Club Barn, Louisville, MS (Paragraphs: 178 - 254)**

**L-179** And Sarah said, "Me, an old woman as I am, hundred years old, as husband and wife had ceased long... have pleasure with my lord, and him old, too?" The Bible said "well stricken," been years and years. She was forty-five years past menopause, or longer than that, maybe fifty-five years past menopause. "And me have pleasure with my husband, as a young woman?" She laughed up her sleeve, you know. [\[Genesis 18:9-12\]](#)

**L-180** And, that, what'd that Man, that Man in that human flesh, said, "Why did Sarah laugh?" [\[Genesis 18:12-14\]](#)

**L-181** What happened? Abraham called that Man, "Elohim," Almighty God represented in a human being.

**L-182** Jesus our Lord said, "As it was in the days of Lot, so shall it be at the Coming," and watch, "when the Son of man is being manifested, made known," Luke 17. "When the Son of man, in the last days, is being revealed. The Son of man being revealed, His Gospel is identifying Him as it was in the days of Lot." [\[Luke 17:30\]](#)

**L-183** Look how they're doing now, perverted nations. Oh, my! Look at the homosexuals, and look at what we got now. The church is a mess. The nation is a mess, and the whole thing. God is belching it up, from the top, bottom of the earth. The whole thing is a mess.

**L-184** Geographically, and also in the material, the scene is set. Isn't it time for God to come back in human flesh, "the Word that's sharper than a two-edged sword, and a discerner of the thoughts and intents of the heart," to appear on the scene, to make Jesus Christ the same yesterday, today, and forever! It's a promised Word that's been lotted for this day. We are living in this day, and God is here with us, to manifest that and make it true.

Let us bow our heads. [\[Hebrews 4:12\]](#), [\[Hebrews 13:8\]](#)

**L-185** Heavenly Father, You said, "It shall be Light in the evening time." We see You, Lord, by all signs; nations are breaking; Israel is in her homeland; earthquakes in divers places; man's hearts failing; perverted minds; reprobate concerning the Truth. "As Jannes and Jambres withstood Moses," You said, "man of reprobated mind, given over to a delusions, to believe a lie and be damned by it." But You promised, in that day, that You would make Yourself known, the Son of man would be revealed, Jesus Christ the same yesterday, today, and forever, by His same characteristic that identified Him in every age. [\[Zechariah 14:7\]](#), [\[II Timothy 3:8\]](#)

**L-186** May He, tonight, Lord God, great Jehovah, Elohim, come down in Your people, tonight, Lord. Come down and make Yourself known, that believers might believe. That people might understand and know that You still remain God, and You're the same yesterday, today, and forever. And then, Lord, those who are ordained to healing, and those who are ordained to Eternal Life, will reach up and get a hold, Lord, for this is the time of visitation. May it not pass in vain. I ask in Jesus Christ's Name. Amen.

**L-187** How many believes that's the truth, that's the Gospel? [Congregation says, "Amen."--Ed.] Now are we living in that day? That's the next thing. If it is, God is solemnly obligated to identify it.

**L-188** Now if you will give me your undivided attention. I'm going to be just a little bit late, I told you tonight, maybe fifteen minutes.

**L-189** We give out prayer cards... A's, A's. All right, let's start right quick. A, number one. I'll call you just

one at a time, so you can stand right over here, if you will. A, number one. Who has got prayer card A, number one, raise up your hand? Now if you can't raise up, I'll... some of them will come get you. A, number one, all right. Now just come as you're called, just your number. All right, A, number one. All right.

**L-190** Number two, would you raise up your hand? Number two, prayer card A, number two, raise up your hand. Would you come, lady? Now if there is somebody crippled and can't get up, the ushers will pack you. Number two.

**L-191** Three, just raise your hand. It'll save time, real quick, if you'll call... Number three, would you raise your hand? Right here, lady. Number four, raise you hand, number four. Prayer... Number four, come. All right. Number five, prayer card number five. Right here, lady. Number six.

**L-192** Huh? Can she walk? Okay. That's... Or, take her a chair down there. The lady is sick, I think, or maybe her husband, ever who it was sitting there with her. Or it's a... Take her a chair there, she's... All right.

**L-193** Number seven. Number eight. Number nine, nine. I get... Yeah, here, nine, nine. Ten, number ten, prayer card ten? Eleven, twelve, thirteen, thirteen, fourteen. Go down to the other end down there, the fourteen. Fifteen. All right, get--get right behind them.

**L-194** Now just wait just a minute till these get in line, see where we're at here just a minute. Now the rest of you just hold your card just a minute.

**L-195** Now how many in this congregation that are--are sick, and don't have no prayer card? Raise up your hands like this. All right. Every... I don't care where you are. All right.

**L-196** Now just be reverent. Now, look, while they're getting the prayer line lined up, you all give me your undivided attention now. You must listen to what I'm telling you. See? Notice.

**L-197** One time there was a woman, Jesus was passing through the country and He crossed over the sea, and He went into a place and there was a woman had a blood issue. And all the priests and them was out, they was making fun of Him, of course. And there was a bunch out there that believed Him. And He was going through the crowd. And the woman said within her heart... [\[Mark 5:25-34\]](#)

**L-198** Now listen close now. Are you listening? Say, "Amen." [Congregation says, "Amen."--Ed.] Right. This, now, the woman... See, on anything, distracts from what you're doing, you see. Every person is a... I'm not dealing with you as a--as a body. I'm dealing with you as a spirit, a soul. See? And that moving, you got your mind going somewhere else, see, I'm trying to get a hold of that. Notice now, there was a man looked upon Paul, earnestly believing; Paul said, "I perceive you have faith to be healed." See? Now notice.

**L-199** This woman, as she was passing through here, she couldn't get to Him. Everybody was putting their arms around Him, everything. Let's say, just for say--just for saying now, she didn't have a prayer card and she couldn't get in the line. [\[Mark 5:25-34\]](#), [\[Matthew 9:20-22\]](#)

**L-200** And so, everybody, "Hello, Rabbi! Say, are You the prophet? We--we believe that there is coming a prophet, but I--I don't know You. See, I--I'm not sure. I'll get put out of my church if I'd believe That." See? And, you know, just the same old story over.

**L-201** So then this little woman, she believed it. So she slipped by, and she said, "If I can touch the border of His garment, I'll be made well." So she touched Him.

**L-202** Now if anybody ever seen the Palestinian garment, you got an underneath garment, and then the outside garment swings free. Now, if some woman touched one of you man's coat, just the tail of your coat, like that, and went away, you would never know it in a crowd like that. How about that big garment hanging that far out from Him? And she was down on her knees and just touched His garment,

and went back.

Jesus stopped. He said, "Who touched Me?"

**L-203** And look what Peter said, now, with the keys to the Kingdom. In other words, let's just put it in our day's words, "Why, Lord, You say some of the awfulest things! Well, then people will think that You are crazy, there is something wrong. Everybody has touched You."

**L-204** Everybody said, "Hello, Rabbi! Say, are You the Divine healer? Say so. You say... Wait, I got a graveyard full of people up here, if You want to raise one for us. Come up, and we'll believe You if You'll do that." And just some for Him and some against, just like it is in every crowd, see; and making fun, and some believing Him.

**L-205** And Peter said, "Why, everybody is touching You! Why would You say such a thing as that?"

**L-206** He said, "But I perceive that I have gotten weak; virtue has gone from Me," that's strength. [\[Mark 5:29-30\]](#)

**L-207** Look, He looked around on the audience and He found the little woman. She couldn't hide it. See? She had that seed laying in there. O God, give us that Seed! That's what we need right now. He found her, and He told her of her blood issue. Said, "Her faith had healed her." [\[Mark 5:29-34\]](#)

**L-208** Look, you say, "That, if He was here tonight, I'd do the same thing." If He walked down through this building, tonight, you believe if you'd touch Him you'd be made whole?

**L-209** Well, let me tell you. In the Book of Hebrews, the 3rd chapter, it says that, "He is right now a High Priest that can be touched by the feeling of our infirmities." How many believe that to be the Truth? [Congregation says, "Amen."--Ed.] See? Well, if He is the same yesterday, today, and forever, how would He act today? The same as He did yesterday. Is that right? ["Amen."] [\[Hebrews 3:1\]](#)

**L-210** Now you don't have to be up here. You just believe, and you say this, "Now, Lord, I-I... This is all strange, but the man tells it out of the Bible. It sounds..." It sounded strange in every age. But search it, and see if the Scriptures...

Jesus said, "Search the Scriptures; They testify of Me." See?

**L-211** Now search the Scriptures. That's true. We're in the last days. All nature is proving it's the last days. The church in its conglomeration, you're all going to the great big ecumenical slaughter pretty soon, up here, you see, just the mother harlot and all of her daughters, just as--as the Bible said, taking the mark of the beast and don't know it. See? Oh, get to that later.

**L-212** Notice now, while He's present, if we can get His Presence here. You out there without a prayer card, you touch His garment. He's the High Priest. How you do it? With your faith? Touch His garment and see if He don't turn and do the same thing He did then. The Bible said, "He's the same yesterday, today, and forever." That would be very convincing. Do you believe that? [Congregation says, "Amen."--Ed.] All right.

**L-213** Now, everybody, don't nobody stir around now. Be real reverent. See, you must respect the Holy Spirit. Respect! Only way you'll ever get anything from God, is respect His Message. Respect It. Now listen.

**L-214** Let's just take, all you Methodists, Baptists, Pentecostals, and Catholic, and all, just take your religion, your denomination, and set it over here for, aside, a few minutes, and say, "If He is the Word, the Word is a discernor of the thoughts that's in the heart. That was the Messiah yesterday; that's Him today. It's got to be. And He promised it today, now."

**L-215** Now here is a little lady standing here. Now don't nobody move. Just be real reverent and stand still. Now I, by--by a gift...

**L-216** Now, a gift is just not something you take like a--a chopping axe, and go to chopping and cutting

away. That's wrong. A gift is know how to get yourself out of the way. It's just relax yourself and get yourself out, and then God comes in and uses you the way He wants to. A gift is get yourself out of the way. See? Not something you put in your hand, go to stabbing and sticking; that, that ain't God. See? The thing we do is just get yourself out of the way, then the Holy Spirit comes in and goes to using it any way that He wants to use it.

**L-217** Now you've got to get yourself out of the way. No matter what God would do here, He has to do it on you, too. No matter how much He would anoint me, He's got to anoint you. If He don't, "many mighty works He could not do."

**L-218** Now I believe I seen somebody, a little boy, looked like, set over here in a wheel chair or something. I thought I seen a man back there. No matter what it is, where you are, now you just believe. Here is a little woman has to sit here, bowed over.

**L-219** Now remember, I cannot heal anybody. There is no such a thing as any man healing. It's God. How many understands that now? [Congregation says, "Amen."--Ed.] Healing is already purchased. It's to get you to believe that His Presence is here to keep His Word. Now if I have told you His Word, that He promised to do this, and you all believe it; now if He does it, that identifies Him here.

**L-220** Now here is a woman standing here, a little lady. She is much younger than I am. And here is a picture of Saint John 4, a man and a woman meets the first time. We're strangers, I suppose, young lady, (are we?) to one another. [The sister says, "Yes, sir."--Ed.] We are. Now I want the audience to look. I do not know her. I have never seen her. You heard her just say it. I don't know her. She doesn't know me. Here we stand.

**L-221** Now she might be sick. She might be financially. It might be domestic trouble. It might be for somebody else. I--I don't have the least idea. I don't know the woman, never seen her.

**L-222** But if Christ was standing here, with this suit on, that He gave me, now... And if say she is sick, if she'd say, "Lord, will You heal me?" Why, He would say right back, too, He can't do no more, and tell her He has already done it. [The sister says, "Praise God!"] How many believes that? [Congregation says, "Amen."--Ed.] See? He couldn't do...

**L-223** But He could identify Himself as being the Messiah. He would know that, because He would do that, have the same characteristic. Now it wouldn't be me if He did that, because...

**L-224** First, it was God in the Pillar of Fire, God above us; then God with us, in Christ; now God in us, see, sons of God, in the adoption that Christ come to do, to redeem God's attributes as He did at the beginning.

**L-225** Now if His Word dwells in here, and I've told the Truth, and that is it, and the Word is in here, in my heart, then God will identify Himself as that being the Truth. Then what ought that to do to this congregation? What ought to do, when you see the Scripture right here before you? [Congregation rejoices--Ed.]

**L-226** Now, now I have to talk to the woman, 'cause I been preaching. Just talk to her just a minute, till the Holy Spirit gets a moving, and then you all start believing. Now, and we'll see you tomorrow night, now. See, this here, you're--you're in another world, another dimension, you just... you don't know what's taking place. You, ever who is on the microphone, just keep it stepped up.

**L-227** Now I just want to talk to you like our Lord did the woman at the well. Now, I'm a man, and you're a woman, the first time we've met on earth. And--and now if... He told her, "I want a drink of water," or something like that. You remember the story? Did you ever read that in the Bible? You read it? All right.

**L-228** Now if the Lord Jesus will do the same thing tonight, will kind of reveal to me what your trouble is, or what you've done, or--or what you're here for, or something another like that, you would know it--it

had to come from some supernatural power. Would you believe it to be what I've showed you that the Scripture says it's going to be? We see the earthquakes, we see the world in this chaos, we see the denominations the way they are, and it's time for that to happen. Isn't it? You believe that? Well, now, if He would identify Himself with that, that would have to be God. It couldn't be me as a man. I'm just your brother.

**L-229** Now, you are a Christian. Not because you're saying, "praise the Lord." You could be a deceiver standing there, saying that. See? But, if it was, He'd--He'd--He would know it. See? But I feel your spirit vibrating. It's true. You're a Christian.

**L-230** Now, if the Lord Jesus will reveal to me what's wrong with the woman, how many will believe now with all your heart? [Congregation says, "Amen."--Ed.]

**L-231** Now look on me, sister, just a moment. Here It comes. See, now I just... It has to be a vision, you see. It'll have to see it in some way, 'cause... Yes, sir. Now here It is. Praise be to God! I take every spirit, under here now, under my control, in the Name of Jesus Christ. Be reverent. Look here just a moment, lady. Look on me. Now is the time for the Lord to say something or do something.

**L-232** If you are conscience, if you ever seen that picture of that Light, It's standing between me and the woman. And she is here, she is suffering with a blood disease. It's a diabetes. If that's right, raise up your hand. See? Now what if...

Someone might say, "You just guessed that."

**L-233** Look here, young lady. You're a very fine person now. Look here. You believe me to be God's servant? [The sister says, "Yes, sir."--Ed.] You do. I can't heal. And I don't know what it was told you. Ever what it was, was true, wasn't it? Here is something else. I see a--a girl. It's a little girl that you're praying for, that's got something in her ear. It's a running ear, isn't that right? Yes, yes, that's right. It's going to be well. You're going to be well. Now go, believe it. Go, believe it with all your heart. Believe, sister.

**L-234** Now you believe that He's the same yesterday, today, and forever? [Congregation rejoices--Ed.] If you just believe, just--just have faith. See? Don't doubt. See, "It discerns the thoughts and intents of the heart." How many knows the Word does that? ["Amen."] The Bible, shows you've been reading the Bible. Now no matter where you are, believe now the anointing.

**L-235** How many has seen that picture of the Angel of the Lord, that's took over here? Now that same Light is not two foot from where I'm standing right now. See, it's in another dimension you wouldn't see. We only live in five; this is another one. Now be reverent just a moment.

**L-236** Now here is a lady. I don't know her. I've never seen her. We're strangers to each other, I suppose. [The sister says, "Yes."--Ed.] And this is our first time meeting, and just a man and a woman. And if I could do anything for you, I--I'd certainly do it, but I--I'm just a man.

**L-237** But, by a gift of God, I want to identify, I want Jesus to identify Himself to the Word that I have just preached, to show that this is the hour; the Word that's lotted for this hour, that we've passed the denominational ranks, we are fixing to go to the Rapture. Just trying to get people faith, to believe. See?

**L-238** Just like in the--the pyramids, see, that headstone that never did come on. On your dollar bill, it's got it. See? Now that ministry with the headstone. Where it was way down here in the Lutheran, Wesley, and down through, it's just... Not a pyramid doctrine now, see. I'm just showing this for an illustration. That headstone will have to be so perfect like the rest of them, till it fit right straight into it. The ministry of Christ will be in His Church, just exactly like Him in Spirit, when He comes to take the Church, to redeems the whole thing, then goes up.

**L-239** Do you believe that? [The sister says, "Yes, I do."--Ed.] I just said that 'cause I relax a little. See, it's, visions are hard. That one woman touched His garment, and He said, "I perceive virtue..." And that

was the Son of God. What about me, a sinner sav-... See? You understand? ["Yes."] Uh-huh. Now if the Lord Jesus will reveal to me your troubles, will you... ["Thank You, Jesus."]

**L-240** Now don't be scared. That won't hurt you. You have a real strange feeling, you see. That's when that Light settled over you. Now if that, so the people will know, raise your hand up. So you... A real sweet, real fine feeling, see, see, just moved over you. Now you couldn't hide your life at all.

**L-241** You're suffering with a sinus condition. And that's right. [The sister says, "Yes."--Ed.] Got somebody on your heart, you're praying for. ["Yes."] All right, sir, that's your husband. ["Yes."] And that husband has trouble with his eyes, which was caused by sugar diabetes. And that's exactly right. See? All right. Now, now believe with all your heart, and both of you... You believe? All right, sir. Then, according to your faith, be it unto you, my sister. Lord bless you. Have faith. Don't doubt. Believe with all your heart.

**L-242** Now we are strangers, too, with each other. Do you believe that? Now, standing in the Presence of a man wouldn't make you feel like that. See? You know it's something besides me. I'm just as... Just like that desk there, it's just a desk. And I'm just a man. But you believe you're in His Presence, not mine; His Presence? [The sister says, "Yes."--Ed.] Thank you. See? You really believe that, too. And you must believe it, because I see a shadow, see. Now you must believe.

**L-243** Now you're suffering with inward troubles, inward organs. You've had an operation. That's right. Operated, and it's no good. It's still bothered. That's exactly right. Then you have severe headaches here bothering you. Now you know something has to know those things, doesn't it? You believe now you can receive it? You believe it? All right, go receive it then, in the Name of the Lord Jesus. Amen. Everybody now pray.

**L-244** Do you believe that God can reveal to me the thing that you're desiring? Would you believe it then, that it would, that knot on your side would go away? All right, then go believe it, and then it-it'll do it.

**L-245** I know you are weak. I don't want to keep you no longer than I can help. You believe me to be God's servant? [The sister says, "Yes."--Ed.] You do. I'm a stranger to you. ["Yes."] And we don't know each other. If I could help you, I would sure do it, lady. I'd--I'd walk, crawl, push a quarter with my nose through the streets of the city, to help you, 'cause you're--you're young, and you are shadowed.

**L-246** I realize now, after I've spoke to you and said that, you do know what's wrong. So you know that you must die right away if something isn't done for you. You got a female disorder, it's in your females, and it's malignant. It's a cancer. ["Yes. Yes."] And you must die right away if God doesn't help you. ["One more month...?..."--Ed.] That's right. You believe that He'll heal you? ["Yes, I do."] Look, sister, that's--that's your only hope. Believe it right now, with all your heart, and live for the Kingdom of God.

**L-247** I lay my hands upon the little lady, in the Name of Jesus Christ, and condemn the devil that's taking her life. May he leave her, and may this girl live, for the Kingdom's sake. Amen.

**L-248** God bless you, sister. Believe it now with all of your heart. Believe with all your heart.

**L-249** Another, shadow. You believe that God can heal it and make it well, take it away from you? Had a real strange feeling when that was taken care of, didn't you? [The sister says, "Yes."--Ed.] It really, actually left you right there. That's right. Now you believe it, with all your heart, and it'll stay away from you. Go, believe. God bless you. All right.

**L-250** Look on me, sister. You want to go eat your supper and feel good about it again? Just go ahead. That ulcer will leave you, and you'll be made well again. All right.

**L-251** Look this way, lady. What you scared of? You got a nervous condition. It's been bothering you for a long time. You believe that God can heal that nervousness and make... Ninety percent of this audience is vibrating with the same thing right now. And that's exactly right. See? You want a place to put your foot

always. You, they all tell you, "Get next to yourself, and believe this, that." But you've got to have a starting place. You're on it right now. Believe it, will you? The Word of God says you're free. You believe it? [The sister says, "Amen."--Ed.] All right, go and be free of that thing. All right. God bless you, sister.

**L-252** Believe God can heal diabetes and make you well? [The brother says, "Yes."] And you do? Just keep moving, say, "Thank You, Lord Jesus. I'll go and believe it with all my heart."

**L-253** Nervous, a ladies trouble, and you have female disorder. Do you believe that God can... And stomach trouble, too. Do you believe that God can make you well? Go on your road, rejoicing, saying, "Thank You, Lord."

**L-254** Look on me, sir. You're a mighty strong man, but them nerves are mighty weak. You believe it's going to be ended tonight? Go, receive it in the Name of the Lord Jesus. Believe it with all your heart. Yes.
